At first, we need to sign up in order to create an account.

In sign up, we need to insert various credentials such as first name, e-mail, phone number, username and our password.

Consequently, the page will direct us to the login page where we need to re-enter our credentials in order to use the main site.

The screenshot shows the moneytrack+ login page. At the top, there is a navigation bar with links for Home, Login, and SignUp. Below this, a central graphic features three stylized user avatars in blue frames, with the middle one highlighted. A small '1.00' badge is visible in the top left corner of the main content area. Below the graphic, there are input fields for Username and Password, each with a toggle icon. A Login button is positioned below the password field. A link for 'New User SignUp Here' is located below the Login button. The footer contains contact information, including an email address (official@moneytrack.com), a phone number (98989XXXXX), and a copyright notice for 2023 moneytrack+ inc.
